# Why Sign Up for Service with ITC?

## Fiber-Optics

- » Most consistent, reliable, buried, direct Internet connection available.
- » With fiber-optics, if needed, you could subscribe to GIG service with ITC.
- » Fiber-optics offer low latency, ideal for streaming, gaming, and working from home.

If you currently have Internet delivered by a wireless, satellite or cable provider there are limitations to these types of services. Fiber-optics will set you up for any technology that may come in the future.

## Local Office & Local Support

The ITC staff are local. ITC has offices located in Brookings, Clear Lake, Webster, and Milbank. We also have a 24/7 help desk located in South Dakota.

## Free Installation

With the expansion, ITC is offering **FREE** installation of the fiber-optics with no obligation to sign up for service now. If you do not give permission for the fiber-optics to be installed now, there may be costs associated with bringing the fiber-optics to your location in the future.

**Sign up now! Applications are due by September 15, 2022.**
